FURNITURE CATALOGUE.

PRINTED BY SCOTTISH CO-OPERATIVE WHOLESALE SOCIETY LTD.

CATALOGUE. 1892.

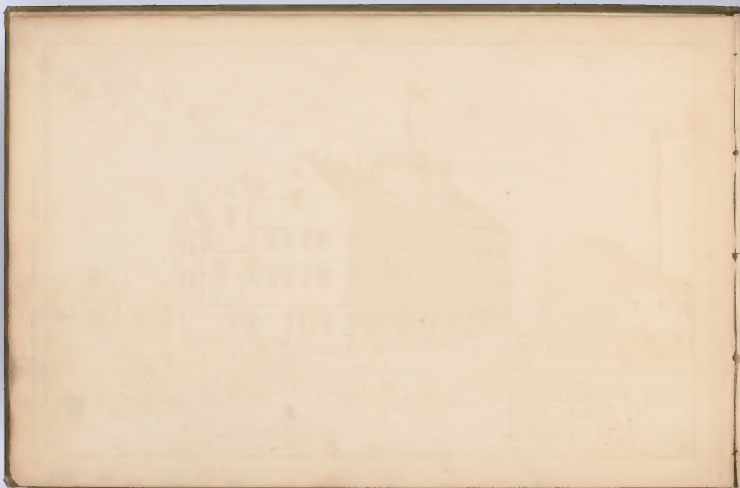

We have pleasure in presenting you with this Edition of our FURNITURE CATALOGUE, and in doing so express the hope that it will give a great impetus to our trade in Furniture. The success we have achieved and the experience gained during the last eight years in catering for the Societies has enabled us to know exactly the class of Furniture mostly in demand, and has resulted in our being able to include many New Designs, which we hope will meet the varied wants of all our Customers.

For convenience and handy reference we have subdivided the Catalogue into Sections, which will each be found to contain a complete assortment of Furniture of the most Modern Designs. We have also introduced in front of each Section a Sketch, showing the arrangement of the pieces of Furniture in general use, so that our patrons may be able to form an idea of the arrangement and appearance of the room when furnished. We also take this opportunity of bringing before Societies how desirable and important it is for them to add to their business a Department for the Sale of Furniture. Those Societies who have already done so have proved that this step is as likely to command success as any other section of their business. Parties furnishing are always anxious to see the goods from which to select; and in this way only can we hope to attain the end we have in view, viz., to have every Co-operative home in Scotland furnished from your new Factory at Shildhall. We will at all times be most happy to give any information relating thereto, and to receive any Deputations of Inspection either at our Warehouses in Dundas Street or at Shildhall, where the facilities now at our command are such that we are in a position to do a very much larger trade. The Factory, which has recently been distended in size, is equipped with the most modern and improved Machinery. We guarantee the best material only to be used, while the price will be found to compare favourably with any similar goods in the market. Paying the highest wages, we can command the best workmen, and now look to the individual Societies to rally round us and make this additional increase to our facilities a success worthy of the movement, and beg to assure all that no effort will be wanting on our part to place us in the front rank of manufacturers, and to give entire satisfaction.

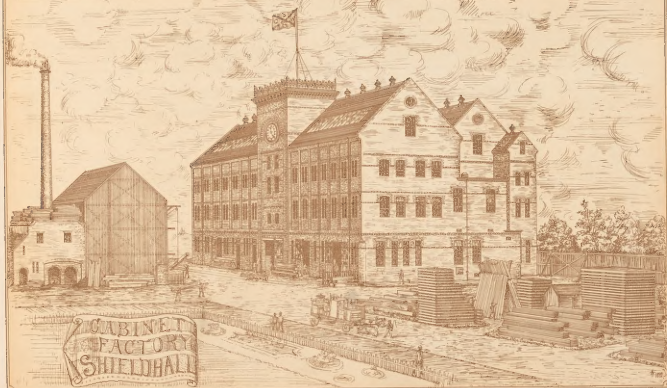

We are, GENTLEMEN,

Yours respectfully,

SCOTTISH CO-OPERATIVE WHOLESALE SOCIETY LIMITED.
